

Encouragement:

“Pray Americas is an incredibly systematic and thorough movement of prayer, touching the most significant points of influence across the Americas with the presence of the Lord. I know of no greater way to engage in praying for these nations at a time of such critical importance.”

Dick Eastman
Every Home for Christ International

“We think right here, right now. God is thinking nations and generations! And prayer is the key. We think that what God does for us is for us, and it is. But it's never just for us. Many of the blessings we experience are the answer to someone else's prayers. And our prayers are for people we may not meet on this side of the spacetime continuum. But they have the power to change nations!”

Mark Batterson
National Community Church

“In their time with Jesus, the disciples did not ask Him how to multiply bread and fish or to give them lessons about walking on water. Instead, they asked Him to teach them to pray. They knew from His example that only prayer can transform lives, families, churches, communities, and ultimately a nation. Once again, may Jesus Christ through His Spirit teach us to pray America!”

Kay Horner
Awakening America Alliance

“Pray Americas is one of the most extensive reaches of Intercession to touch every congressional leader and every judge in America. I urge you to take part in this nation-changing initiative.”

Cindy Jacobs
Generals International

Congressional Districts & Circuit Courts

June 15-July 25, 2017

Purpose:

Pray Americas Mission Statement:
To change the nations of the Americas
through prayer

Pray Americas is a movement of prayer, joined globally by Christian men and women who believe that each nation of the Americas will experience righteous change in their governance as a direct result of people gathered together to pray.

Pray Americas Core Scripture:
“If my people, who are called by my name, will turn from their wicked ways and humble themselves, and pray and seek my face, then I will hear from heaven, and will forgive their sin and heal their land.”
2 Chronicles 7:14

A movement has begun, nations are changing, and you are a part of it! Whether you joined us for a state capital prayer walk, met us on a university or college campus, packed up your vehicle and traveled along on a prayer drive, or simply devoted your time each day to pray for your nation, you have made a difference.

Each summer we set aside 40 days of prayer for the nations of the Americas. As God leads, and as we gather clear prayer points from trusted friends, we set a course of action, and invite friends to join in believing that the steps we take in prayer will bring change to the nation in which we are praying.

“I believe that God can change a nation.
I am living in a nation that is changing now, and I believe that we are a part of that change.
What a crazy thought.
We, a tiny but growing group of friends, are changing nations through prayer.”
-Matthew Geppert

13 Circuits

94 District Courts

There are
535
Members of Congress

The average length of service for a Congress Person in the House & Senate is 9.4 and 10.1 years respectively *

**Congressional Research Services

How to Participate:

We want to invite you to join in this summer from June 15-July 25 as Pray Americas moves into the offices of congress, senate, and the circuit courts. Your first place to start is by answering these questions:

1. Who is your representative to congress?
2. Who is your representative to senate?
3. Which of the 13 court circuits are you in and who is the judge that presides over you?

When you know the answers to these questions, then it is time to start praying! We are here to help along the way.

Please join the movement by :

1. Praying daily for your representatives.
2. Making an appointment to visit & hear their prayer requests.
3. Emailing us (prayer@seapc.org) the date and time of your appointments so we can pray and invite others to do the same.

You will be able to find detailed information for your area by downloading the SEAPC Pray Americas app, visiting the website, looking at the SEAPC Magazine or by contacting our office. Finally, to receive regular updates and support one another in prayer during the 40 days, please join our SEAPC Pray Americas 2017 Facebook group!

A Letter from the Founder:

From the Hudson Bay to the Cape Horn, America has been settled in prayer. Some of the military and political tactics have been called into question, but the strength of praying mothers and wives cannot be doubted.

While heroes and villains fill the pages of folklore, very little is ever said about those who prayed. Yet, in city or village, hamlet or towering skyscraper, prayer is the direct connection to the Everlasting Father. Few of these prayers have been preserved for they were not intended to be lofty speeches or motivational mantras; but, in humility and sincerity were brought before a loving God in the name of His Son.

And so, it is that SEAPC again calls upon the global network to set aside 40 days to unite for the Americas. We have seen how God responds to united prayer and now, more than ever, unity is our cry. The North American Free Trade Agreement, Bibles in schools, abortion rights, freedom of religion, and wealth redistribution are just a few of the issues that will be debated in the US House and Senate and before the Supreme Court in the coming 12 months.

It is essential that we together pray, "Thy Kingdom Come, Thy will be done..." In Canada, Mexico, and the United States. Unity in prayer will result in unity in the nation and bring unity among the neighbors. It all begins with those who call upon the Lord, those who whisper prayers in faith believing that a loving God will hear and answer. Let your voice join thousands of others as we call upon the One who can change the nations.

-Mark Geppert, Founder of SEAPC
