Changing Lives Through Prayer

“If my people, who are called by my name, will  
turn from their wicked ways and humble  
themselves, and pray and seek my face,  
then I will hear from heaven  
and will forgive their sin and heal their land.”  
- 2 Chronicles 7:14

Who we are //

Pray Americas is a movement of prayer, joined globally by Christians who believe that each nation of the Americas will experience a righteous change in their governance as a direct result of people gathered together to pray.

GOAL //

To eliminate systems of violence through prayer, specifically focused on the opioid epidemic and widespread violent events.

Pray Americas Mission Statement //

To change the Americas through prayer.

How to Participate //

We want to invite you to join in this summer from June 15- July 25th as Pray Americas moves into the five pressure points of your community through prayer.
