

## The Attack Lambs

This book details the principles in the Prayer Walking Seminar. Mark has taught this in hundreds of groups and churches to thousands of people. Others have been inspired to teach it and have spread it even farther. Dick Eastman, International President of Every Home for Christ writes in the forward that this book “powerfully pictures the potential impact a gentle army of worshipping warriors can have on a lost and troubled world.” Dick describes the breakthrough in the Soviet Union in Chernobyl that his ministry realized after Mark’s prayer there.

*“My prayer life was dramatically changed after Mark Geppert introduced me to prayer walking ... this book will open your understanding to how you can maximize your prayer time to benefit the kingdom of God.”*

*-Oleen Eagle, President, Cornerstone Television*

*“This book will shatter your paradigm of How effective prayer gets done.”*

*-Dr. Jay Passavant,  
Senior Pastor, North Way Christian Community*

## Experience *PrayerWalking.*

It's revolutionary! *Simple in execution but  
Profound in implications.* It's a world-wide  
phenomenon of the Holy Spirit. Ordinary  
believers are taking prayer into the  
streets to contend for the souls of the  
unsaved in their cities.

As John Dawson puts it, *Prayerwalking fits  
the restless culture ... Let's face it. It's  
hard to pray for your city while imagining  
it from a "prayer closet". We need the  
exercise, and we need to see what's really  
going on in our communities.*

■ With eyes open to real needs and with  
ears open to the promptings of the Holy  
Spirit, intercession intensifies, preparing  
the city for spiritual awakening!

*Every place that the sole of  
your foot shall tread upon,  
that have I given unto you.*

-Joshua 1:3

## OTHER BOOKS AND SEMINARS

**A Faith to Die For** asks the ultimate question. How can you face death squarely and know an absolute absence of fear? You can if you have Hope. You can if you have traveled from Guatemala to Kiev to Beijing and seen God restoring hope in hopeless situations. Recounting his journey from captivity to freedom in Aceh, Indonesia, Mark Geppert shows us the reality of knowing a God who "never fails us or forsakes us."

**Bridges** is written with a storyline that captivates the reader as he learns the "how to" of accountability, obedience and direction. It offers concrete answers to lives that have been damaged by broken relationships, frustrated with vision and no resource, those whose marriage is feeling the stress of today's warp speed lifestyles. This seminar puts practicality to the spiritual answers.

**Stepping Stones** sets a pathway for young people to follow through life with the kind of success and significance that will bring them peace at the end of the day. It gives clear apologetics for young people today to understand. The future becomes possible. The middle-agers will begin to take a stand and see the importance of the principles of the Word of God. The older readers will relate to the values that are lasting. It teaches a lifestyle based on 12 stepping stones, which are 12 Greek words, taken from the Bible.
